[Default Arrangement] by Ben Grace

Intro, V1, C1, V2, C1, C1, C2, B, B, C3, V3

VERSE 1

The winter is o'er
Chase away old thoughts of darkness and fear
The Saviour who rose
Calls us to resurrect hope and good cheer

CHORUS 1

Hallelu-u-jah! Hallelu-u-jah!
Hallelu-u-jah! The winter is o'er

VERSE 2

New hope has arrived
Smelling of springtime as flowers appear
The promise of life
Blooms from the barren and frost bitten earth
The Saviour who died
Reverses the curse of the first Adam's tears

CHORUS 2 - 1st 2 times same chords as C1 with altered lyric

Hallelu-u-jah! Hallelu-u-jah!
Hallelu-u-jah! New hope has arrived

BRIDGE

O the perfect One was slain
This is where sin's hand was stayed
Death could not hold him down
Tore up the broken ground
Jesus our Lord overpower'd the grave

CHORUS 3 - same chords & melody as C2 "Jesus is risen"

VERSE 3

Springtime is here
The rolled away stone, the victorious Son
Our Saviour appears
Eastertide shouts for the battle is won
